

Yamato University – Comprehensive Overview

Yamato University – Part 1: Overview & History

1. Introduction to Yamato University

1. 大和大学の紹介

Yamato University is a private university located in Suita City, Osaka Prefecture, Japan. It was established in April 2014 by the Nishiyamato Gakuen Educational Corporation, a prestigious organization also responsible for several renowned schools in Japan and the United States.

大和大学は、大阪府吹田市に位置する私立大学です。2014 年 4 月に、西大和学園教育財団によって設立されました。この財団は、日本およびアメリカに複数の著名な学校を運営する有名な教育機関でもあります。

The university is known for its modern approach to education, emphasis on real-world skills, and a mission to nurture ambitious individuals who contribute meaningfully to society. It offers a wide range of faculties, including informatics, engineering, politics, economics, education, health sciences, and sociology.

大和大学は、現代的な教育アプローチ、実践的なスキルの重視、そして社会に貢献できる志の高い人材の育成を使命とすることで知られています。情報学、工学、政治、経済、教育、保健科学、社会学など、幅広い学部を提供しています。

Its philosophy is grounded in the spirit of 'Nation building begins with people building,' with a vision to become the top private university in Western Japan, comparable to Waseda and Keio Universities in the East.

「国づくりは人づくりから始まる」という理念のもと、西日本で最も優れた私立大学となることを目指し、東の早稲田・慶應に匹敵する存在を目指しています。

The university operates under the slogan: 'Embody Ambition' (大志を、まとう。), reflecting its dedication to supporting students in achieving their highest goals.

大学のスローガンは「大志を、まとえ。」であり、学生たちが自らの最高の目標を達成できるよう支援するという大学の決意を表しています。

. Overview & Identity

- Name: Yamato University (大和大学)
- Established: Founded in 1984 (as educational institution), university status in April 2014

4. 社会学部 – 現代社会、メディア社会、社会心理学、そして2026年に開始予定の社会文化学などのコースを提供しています。

5. Faculty of Education – Trains future teachers for kindergarten, elementary, and junior high schools. Courses include Japanese language, mathematics, and English education.

5. 教育学部 – 幼稚園、小学校、中学校の教員を育成します。国語、数学、英語教育などのコースがあります。

6. Faculty of Allied Health Sciences – Includes Nursing, Physical Therapy, Occupational Therapy, and Speech-Language-Hearing Therapy. The university is known for strong clinical training and cooperation with hospitals.

6. 保健医療学部 – 看護学、理学療法学、作業療法学、言語聴覚療法学などが含まれ、病院との連携による実践的な臨床教育に定評があります。

Six full faculties (9+ departments and tracks):

- Faculty of Informatics (opened 2023)
- Science & Engineering:
 - Mathematical Science
 - Mechanical Systems Engineering
 - Electrical & Electronic Information Engineering
 - Architecture
 - Biological & Life Sciences (from April 2025)
- Political Science & Economics
- Sociology:
 - Social Psychology
 - Media Sociology
 - Contemporary Society
 - Social & Cultural Studies (from April 2026)
- Education (Elementary, Japanese, Math, English teacher training)
- Allied Health Sciences (Nursing, Physical Therapy, Occupational Therapy, Speech-Language Therapy)
- Enrollment: approx. 4,800 students (as of May 2024)

4. Academic Strengths & Recognition

- Comprehensive university model with all faculties housed in one campus, easing interdisciplinary learning
- High employment rate — Ranked #1 for actual employment in 2021 (Daigaku Tsushin)
- Appealing campus — Ranked #1 for beauty and lowest dropout rate in Osaka Prefecture
- Accreditation & ranking:
 - uniRank: Japanese private university (enrollment 3,000–3,999), world rank ~7,139

5. Educational Philosophy

- Slogan: "大志を、まとう。" ("Embody ambition") — cultivated through a "homeroom teacher" system for close student support
- Focus areas:
 - STEM – Math, AI, Data Science integrated into curriculums
 - Early professional exposure: teaching practise from year 1 ("Yamato Plan")
- Community engagement: Active SDGs initiatives (e.g., partnership with local football club Gamba Osaka to support regional development)

6. Access & Contact

- Full address & tel:
2-5-1 Katayama-cho, Suita-shi, Osaka 564-0082, Japan
Tel: +81-6-6385-8010
- Transport links:
 - 7 min from JR Suita Station
 - 9 min rapid from Osaka Station on JR Kyoto Line
